4:40 P.M.

Councilman Murphy, Chairman, called the meeting of the Legal and Legislative and Safety Committee to order with Councilpersons Scott, Ladd, Robinson, Rico, Benson, Berz, Gilbert, and McGary present. City Attorney Michael McMahan and Shirley Crownover, Assistant Clerk to the Council, were also present.

Others present included Dan Johnson, Daisy Madison, Larry Zehnder, Donna Kelley, Jean Smith, Jenny Lowery, Madeline Green, Danny Thornton, Ulystein Oates, Ron Swafford, Capt. Roddy, Valerie Malueg, Johnny Feagans and Beverly Johnson.

On motion of Councilman Rico, seconded by Councilwoman Robinson, the minutes of the previous meeting were approved as published.

Chairman Murphy led the discussion of **Resolution (j)** on next week's agenda that authorizes the Fire Chief to enter into a Technical Training and Facilities Use Agreement with Industrial Emergency Services (IES) for trench rescue training, for compensation of \$21,600. He asked Capt. Roddy to speak to this issue.

Capt. Roddy explained that this involved the Volkswagen Plant; that we had been working with them from the beginning, and this is training that we are familiar with; that we will train them on trench rescue. He explained that they were partnering with Public Works in order to get them aware; that \$21,600 covers this to the same level that we are and enables them to do the same type of rescue, and in the process, we will gain a little money.

The meeting adjourned at 4:45 P.M.
