In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the City may pay the same without surrender thereof making such requirements as it deems fit for its protection, including a lost instrument bond. The City and the Fiscal Agent may charge the owner of such Bond with its reasonable fees and expenses for such service.

SECTION 11. Upon the surrender to the Fiscal Agent of any mutilated Bond, or any Bond acquired, redeemed, or paid at maturity, the same shall forthwith be canceled. SECTION 13. The City shall cause the Registration books for the registration and for the transfer of the Bonds as provided in this Resolution to be kept by the Fiscal Agent. The principal and redemption price, if any, of any Bond shall be payable only to or upon the order of the registered owner or his duly authorized legal representative. Upon surrender for transfer of any Bond at the principal office of the Fiscal Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the City shall execute, and the Fiscal Agent shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity or maturities and of authorized denomination for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Fiscal Agent for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity. The City shall execute and the Fiscal Agent shall authenticate and deliver Bonds which the registered owner of any outstanding Bond or Bonds making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond or

any authorized denomination shall constitute full and due authorization of such denomination, and the Fiscal Agent shall thereby be authorized to authenticate and deliver such Bond.

All Bonds surrendered in any such exchanges or transfers shall be canceled by the Fiscal Agent in the manner provided in Section 11 hereof. Neither the City nor the Fiscal Agent shall be required (a) to transfer or exchange Bonds for a period beginning with any Record Date and ending on any interest payment date for such Bonds or next preceding any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange Bonds called for redemption.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of either principal and redemption price, if any, or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

There shall be no charge for any such exchange or transfer of Bonds, but the City or the Fiscal Agent may require payment of a sum sufficient to pay any tax, fee or other governmental charge required to be paid to such exchange or transfer.

SECTION 14. The Bonds and the Fiscal Agent's certificate of authentication shall be in substantially the following form:

The Bonds maturing on or before \_\_\_\_\_, shall not be subject to redemption prior to maturity.

The Bonds maturing on or after \_\_\_\_\_, shall be subject to redemption prior to maturity on thirty (3) days' notice, at the option of the City as hereinafter provided, as a whole or in part (and by lot if less than all of a maturity is to be redeemed), at any time, on

\_\_\_\_\_ or at any time thereafter at the redemption price of par plus accrued interest to the date of redemption, [provided however, the Mayor and/or City Finance Officer may determine alternative redemption dates in order to increase marketability of the Bonds and maximize the City's debt service savings which shall be reflected in the Bond Purchase Agreement and subsequent Resolution adopted by the City Council.]

Notice of any call for redemption shall be given by mailing such notice, at least thirty (30) days prior to the date set for such redemption, to the registered owner of each bond being so redeemed at his address, as shown on the Registration Books of the City (the "Registration Books") kept for that purpose at the office of the Registrar and Paying Agent (as hereinafter defined). While DTC or its nominee is the registered owner of the bonds, the City shall send the notice of redemption to DTC and the City shall not be responsible for mailing notices of redemption to Participants or Indirect Participants or the Beneficial Owners of any Bonds. Any failure of DTC to mail such notice to any Participant will not affect the sufficiency or the validity of the redemption of the Bonds. Notice of redemption have been given as aforesaid, the Bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with the redemption price, if any, and interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The City shall cause books for the registration and for the transfer of the Bonds as provided in the Resolution to be kept by the Fiscal Agent. This bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing, at the principal office of the Fiscal Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this bond. [End of Bond Forms]

## SECTION 15.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond in the amount of each separate stated maturity thereof and shall be registered in the name of Cede & Co. ("Cede"), as nominee of the Depository Trust Company ("DTC"), New York, New York. With respect to Bonds so registered in the name of Cede, the City, and the Fiscal Agent shall have no responsibility or obligation to any DTC participant or to any beneficial owner of such Bonds. Without limiting the immediately preceding sentence, the City, and the Fiscal Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any DTC participant, beneficial owner or other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC participant, beneficial owner or other person, other than DTC, of any amount with respect to the principal or redemption price of, or interest on, the Bonds. The City and the Fiscal Agent may treat DTC as, and deem DTC to be, the absolute owner of each Bond for all purposes whatsoever, including (but not limited to) (i) payment of the principal or redemption price of, and interest on, each such Bond, (ii) giving notices of redemption and other matters with respect to such Bonds, and (iii) registering transfers with respect to such Bonds. The Fiscal Agent shall pay the principal or redemption price of, and interest on, all Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to such principal or redemption price, and interest, to the extent of the sum or sums so paid. No person other than DTC shall receive a Bond evidencing the obligation of the City to make payments of principal or redemption price of, and interest on, the Bonds pursuant to this resolution. Upon delivery by DTC to the Fiscal Agent of

written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions hereof, the word "Cede" in this resolution shall refer to such new nominee of DTC.

(b) 1. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and the Fiscal Agent and discharging its responsibilities with respect thereto under applicable law.

2. The City, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to any Bonds if the City determines that the continuation of the system of book-entry-only transfers through DTC (or a successor securities depository) is not in the best interests of the beneficial owners of the Bonds or is burdensome to the City.

3. Upon the termination of the services of DTC with respect to the Bonds pursuant to subsection (c) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the City, is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer be restricted to being registered in the Registration Books kept by the Fiscal Agent in the name of Cede as nominee of DTC. In such event, the City shall issue and the Fiscal Agent shall transfer and exchange Bond certificates as requested by DTC or DTC participants of like principal amount, series and maturity, in authorized denominations to the identifiable beneficial owners in replacement of such beneficial owners' beneficial interest in the Bonds.

4. Anything in this resolution to the contrary notwithstanding, so long as any of the Bonds are registered in the name of Cede, as nominee of DTC, payment of the

redemption price of a Bond, or portion thereof, called for redemption prior to maturity may be paid to DTC by check or mailed to DTC or by wire transfer. Anything in this resolution to the contrary notwithstanding, such redemption price may be paid without presentation and surrender to the Fiscal Agent of the Bond, or portion thereof, called for redemption; provided, however, that payment of (a) the principal payable at maturity of a Bond, and (b) the redemption price of a Bond as to which the entire principal amount thereof has been called for redemption shall be payable only upon presentation and surrender of such Bond to the Fiscal Agent; and provided, further, that no such redemption price shall be so payable without presentation and surrender unless such Bond shall contain or have endorsed thereon a legend to the following effect:

NOTWITHSTANDING ANY PROVISION OF THE RESOLUTIONS REFERRED TO HEREIN TO THE CONTRARY, THE PRINCIPAL AMOUNT OUTSTANDING UNDER THIS BOND MAY BE PAID OR REDEEMED WITHOUT SURRENDER HEREOF TO THE FISCAL AGENT. THE DEPOSITORY TRUST COMPANY (TOGETHER WITH ANY SUCCESSOR SECURITIES DEPOSITORY APPOINTED PURSUANT TO THE RESOLUTIONS ("DTC") OR A TRANSFEREE OR ASSIGNEE OR DTC OF THIS BOND MAY NOT RELY UPON THE PRINCIPAL AMOUNT INDICATED HEREON AS THE PRINCIPAL AMOUNT HEREOF OUTSTANDING AND TO BE PAID. THE PRINCIPAL AMOUNT OUTSTANDING AND TO BE PAID ON THIS BOND SHALL FOR ALL PURPOSES BE THE AMOUNT INDICATED ON THE BOOKS OF THE FISCAL AGENT.

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF DTC TO THE FISCAL AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO.

OR SUCH OTHER NAME AS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC AND ANY PAYMENT IS MADE TO CEDE & CO., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSONS IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

Anything in this resolution to the contrary notwithstanding, upon any such payment to DTC without presentation and Surrender, for all purposes of (i) the Bond as to which such payment has been made, and (ii) this resolution, the unpaid principal amount of such Bond outstanding shall automatically be reduced by the principal amount so paid. In such event, the Fiscal Agent shall note the particular Bond as to which such payment has been made, and the principal amount of such Bond so paid, on the Registration Books of the City maintained by it, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Bond Outstanding as provided in this subsection.

5. For all purposes of this resolution authorizing or permitting the purchase of Bonds by, or for the account of, the City for cancellation, and anything in this resolution to the contrary notwithstanding, a portion of a Bond may be deemed to have been purchased and canceled without surrender thereof upon delivery to the Fiscal Agent of a certificate executed by the City and a participant of DTC therefor, agreed to and accepted by DTC in writing, to the effect that a beneficial ownership interest in such Bond, in the principal amount stated therein, has been Purchased by, or for the account of, the City through the participant of DTC executing such certificate; provided, however, that any purchase for cancellation of the entire principal amount of a Bond shall be effective for purposes of this resolution only upon Surrender of such Bond to the Fiscal

Agent; and Provided further, that no portion of a Bond may be deemed to have been so Purchased and canceled without Surrender thereof unless such Bond shall contain or have endorsed thereon the legend referred to in subsection (c) (4) above. Anything in this resolution to the contrary notwithstanding, upon delivery of any such certificate to the Fiscal Agent, for all purposes of (i) the Bond to which such certificate relates, and (ii) this resolution, the unpaid principal amount of such Bond outstanding shall automatically be reduced by the principal amount so purchased. In such event, the Fiscal Agent shall note such reduction on the Registration books of the City maintained by it, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Bond outstanding as provided in this subsection.

6. Anything in this resolution to the contrary notwithstanding, DTC may make a notation on a Bond (i) redeemed in part, or (ii) purchased by, or for the account of, the City in part for cancellation, to reflect, for informational purposes only, the date of such redemption or purchase and the principal amount thereof redeemed or canceled, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Bond outstanding as provided in subsection (c) (4) or (c) (5) of this Section 12, as the case may be.

SECTION 16. The City shall comply with each requirement of the Internal Revenue Code of 1986, as amended, (the "Code") necessary to maintain the exclusion of interest on the Bonds from gross income for Federal income tax purposes. In furtherance of the covenant on contained in the preceding sentence, the City agrees to comply with the provisions of the Tax Certificate as to Arbitrage and Instructions as to Compliance with the Provisions of Section 103(a) of the Internal Revenue Code of 1986, as amended (the "Tax Certificate") executed by the

City on the date of initial issuance and delivery of the Bonds, as such Tax Certificate may be amended from time to time, as a source of guidance for achieving compliance with the Code.

The City shall make any and all payments required to be made to the United States Department of the Treasury in connection with the Bonds pursuant to Section 148(f) of the Code from amounts on deposit in the funds and accounts established under this resolution and available therefor.

Notwithstanding any other provision of this resolution to the contrary, so long as necessary in order to maintain the exclusion from gross income of interest on the Bonds for Federal income tax purposes, the covenants contained in this Section 16 shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof pursuant to Section 17 of this resolution.

SECTION 17. The covenants and liens entered into, created or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to the Bonds in any one or more of the following ways:

(a) by paying the principal of and interest on the Bonds when the same shall become due and payable; or

(b) by depositing in an account as the City may hereafter create and establish by resolutions moneys sufficient at the time of such deposit to pay the Bonds, the interest thereon and the redemption premium, if any, as the same become due on said Bonds on or prior to the redemption date or maturity date thereof; or

(c) by depositing in such account as the City may hereafter create and establish by resolution moneys which when invested in Defeasance Obligations (as hereinafter defined), will provide moneys which shall be sufficient to pay the Bonds, the interest thereon and the

redemption premium, if any, as the same shall become due on said Bonds on or prior to their redemption date or maturity date thereof.

As used herein, Defeasance Obligation shall mean to the extent permitted by laws:

(iii) Evidences of ownership of proportionate interests in future interest and principal payments on specified obligations described in (i) held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the underlying obligations described in (i), and which underlying obligations are not available to satisfy any claim of the custodian or any person claiming through the custodian or to whom the custodian may be obligated; and

(iv) Debt obligations, whether or not interest thereon is exempt from federal income taxes, which, at the time of deposit, are rated by either Moody's Investors Service Inc. ("Moody's") or Standard & Poors ("S&P") in either of the two highest long-term debt rating categories of such rating agency without regard to any refinement or gradation of such rating category by numerical modifier or otherwise; provided, that if any Bond

being provided for is then rated by Moody's or S&P, the obligations deposited must be rated by each rating agency having a rating in effect on such Bonds in a rating category no lower than that in effect on such Bonds; and

(v) Obligations described in Section 103(a) of the Internal Revenue Code of 1986, as amended, provision for the payment of the principal of, premium, if any, and interest on which shall have been made by the irrevocable deposit with a bank or trust company acting as a trustee or escrow agent for holders of such obligations of securities described in clauses (i) or (ii) the maturing principal of and interest on which, when due and payable, will provide sufficient moneys to pay when due the principal of, premium, if any, and interest on such obligations, and which securities described in clauses (i) or (ii) are not available to satisfy any other claim, including any claim of the trustee or escrow agent or of any person claiming through the trustee or escrow agent or to whom the trustee or escrow agent may be obligated, including in the event of the insolvency of the trustee or escrow agent or proceedings arising out of such insolvency.

Upon such payment or deposit in the amount and manner provided in this resolution, the Bonds shall no longer be deemed to be outstanding for the purposes of this Resolution and all liability of the City with respect to the Bonds shall cease and be completely discharged and extinguished, and the holders thereof shall be entitled for payment solely out of the moneys or Defeasance Obligations so deposited.

Notwithstanding the foregoing, all references to the discharge and satisfaction of Bonds shall include the discharge and satisfaction of any series of Bonds, any portion of a series of Bonds, any maturity or maturities of a series of Bonds, any portion of a maturity of a series of Bonds, or any combination of the foregoing.

SECTION 18.
