SECTION 8. Improvements. Lessee has made certain improvements to the Property, including a wireless communications facility, tower structures, equipment shelters, meter boards and related improvements and structures and uses incidental thereto (the “Original Improvements”) as agreed upon in the Existing Lease. Lessee shall not make any Major Modifications (as defined herein) to the Property without obtaining Lessor’s written approval, which approval shall not be unreasonably withheld, conditioned or delayed. If Lessee desires to make Major Modifications to the Property, Lessee shall be required to submit a detailed description of the Major Modifications to be made to Lessor (“Lessee’s Plan”). Lessee’s Plan shall be subject to Lessor’s written approval, which approval shall not be unreasonably withheld, conditioned or delayed. Lessor shall respond to Lessee’s Plan within thirty (30) days following Lessee’s request for a Major Modification. The Original Improvements and any subsequent improvements to the Communications Facility are hereinafter, as appropriate, referred to collectively as the "Improvements." As used herein, the term "Major Modification" shall mean a significant structural alteration to the tower or structure (such as, by way of example, the adding of height to the tower or adding a story to any equipment storage structure) or other alteration or addition resulting in a significant change in the visual appearance of the Communications Center, as defined herein (such as, by way of example, the conversion of the tower into a "tree," "bell tower" or lattice structure or material change in the color of either facility). A Major Modification shall not include the adding, decreasing, altering, replacing, or upgrading of (i) antennas or antenna arrays on the tower (or of related cable or other antenna accessories) (ii) cabinets or other equipment inside the Property or (iii) equipment storage structures (not exceeding one story), provided that the same do not lessen the safety or result in a significant change in the visual appearance of the Communications Center. Lessee may, without Lessor's consent, make modifications, alterations or upgrades to the Communications Center that are not Major Modifications during the term hereof; provided, however, that Lessee shall submit to Lessor originals or duplicates of any construction plans or drawings relating thereto.

Lessee, its successors and assigns, shall indemnify, defend and hold harmless Lessor from and against all losses, costs, claims, liabilities, expenses (including reasonable attorneys' fees), demands and obligations of every kind and nature, known and unknown, foreseen and unforeseen, arising out of or related to Lessee's improvements as set forth in Section 14 hereof.

SECTION 9. Communications Equipment. In addition to the Improvements, Lessor grants permission for Lessee to operate such equipment reasonably required by Lessee or its sublessee or licensees for use of the Property as a communications tower site, including, but not

limited to, the following equipment and to engage in the following activities on or about the Property:

- (c) Communications equipment consisting of transmitters, receivers, and accessories to be installed on the towers; and
- (d) Construction of a chain-link fence to enclose all Improvements, including the tower, building(s), and all equipment.

For the purposes of this Lease, all of Lessee's tower, equipment, building(s), fences, panels, generator(s), cables, wires, antennas, microwave dishes, and accessories shall hereinafter collectively be referred to as appropriate, as "Communications Equipment" or "Communications Center."

SECTION 10. Fixtures. Lessor covenants and agrees that, notwithstanding any contrary provision of statutory or common law, no part of the Improvements constructed, erected or placed by Lessee on the Property shall ever be deemed by Lessor to be or become affixed to or a part of the Property, it being the specific agreement of Lessor and Lessee that all Improvements of every kind and nature constructed, erected or placed by Lessee on the Property shall be and remain the personal property of the Lessee. Lessee agrees to hold Lessor harmless on account of claims or mechanic's, materialmen or other liens imposed upon the Property in connection with any Improvements, alterations or additions to the Property. Lessor hereby waives and releases

any and all liens, whether statutory or under common law, with respect to any of Lessee's Property now or hereafter located on the Property.

SECTION 11. Removal Bond. Lessee shall provide Lessor with a removal bond in the amount of Twenty-Five Thousand and No/100 Dollars (\$25,000) no later than the Commencement Date for the removal of the Improvements upon the expiration or earlier termination of this Lease and in no event later than ninety (90) days following expiration or earlier termination of this Lease. . The removal bond must be approved by the Lessor's Finance Officer as to the financial adequacy and the City Attorney as to legal enforceability. Lessee agrees to restore the Property to its original condition prior to construction of the Improvements, without, however, being required to replace any trees or other plants removed, or alter the then-existing grading. If such time for removal of Lessee's Improvements causes Lessee to remain on the Property after the expiration or earlier termination of this Lease, Lessee shall pay rent at the then existing monthly or monthly pro-rata basis if based upon a longer payment term, until such time as the removal of the Improvements, personal property, and all fixtures are completed. Any Improvements or personal property of Lessee which is not removed from the Property within such ninety (90) day period following termination of this Lease shall be deemed abandoned and may be disposed of by Lessor in any manner without accounting or being liable to Lessee.

SECTION 12. Repairs. Lessee shall, at its sole expense, be responsible for all repairs to the Property and Improvements located thereon and shall maintain the Property and Improvements in good order, condition, and repair.

SECTION 13. Quiet Possession. The Lessor covenants to keep the Lessee in quiet possession of the Property during the term of this Lease.

SECTION 14. Indemnity. Lessee, as a material part of the consideration to be rendered to Lessor, hereby waives all claims against Lessor for injuries or damage for any cause arising at

any time to persons in or about said Property where said injuries or damage occurs as a result of the use of the Property by Lessee or from the failure of Lessee to keep the Property in good condition and repair, as herein provided. Lessee will indemnify Lessor and save it harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury and/or damage to property arising from or out of the occupancy or use by Lessee of the Property or any part thereof occasioned wholly or in part by any act or omission of Lessee, its sublessees, invitees, agents, employees, or contractors. Lessee further agrees to defend, pay all costs of defense, including attorney's fees, and/or any judgment or cost for any claim or suit brought against Lessor as a result of any claim brought against Lessee, its sublessees, invitees, agents, employees, or contractors. This indemnification of Lessor shall survive the expiration or sooner termination of this Lease.

SECTION 15. Insurance. At its sole expense, Lessee shall procure and maintain during the term of this Lease insurance of the types and in the amounts described below against claims for injuries to persons or damages to property which may arise from or in connection with this Lease.

Lessee agrees during the term of this Lease to maintain occurrence version commercial general liability insurance or equivalent form with a limit of not less than Three Million Dollars (\$3,000,000) each occurrence for bodily injury, personal injury and property damage. If such insurance contains a general aggregate limit, it will apply separately to this Lease, or be no less than two (2) times the occurrence limit. Lessee agrees to provide the insurance policies at its sole expense, with commercially reasonable increases in coverage, but in no event shall the insurance coverage be less than the limits set by the Tennessee Governmental Tort Liability Act, as may be amended. Such insurance will:

- (i) Contain or be endorsed to contain a provision that includes the Lessor, its officials, officers, and employees as additional insureds with respect to liability arising out of work or operations performed by or on behalf of Lessee including materials, parts, or equipment furnished in connection with such work or operations. The coverage will contain no special limitations on the scope of protection afforded to the above listed insureds. Liability coverage can be provided in the form of an endorsement to Lessee's insurance or as a separate owner's policy; and
- (ii) For any claims related to this Lease, be primary insurance as respects the Lessor, its officials, officers and employees. Any insurance or self-insurance programs covering the Lessor, its officials, officers and employees will be in excess of insurance and will not contribute with it.

(b) Additional Insurance Requirements.

Lessee shall include Lessor as additional insured on all commercial liability insurance. Proof of said insurance shall be provided to Lessor's Risk Manager, General Services Real Property Coordinator.

Lessee shall:

- (i) Prior to the Commencement Date, furnish Lessor with original certificates of insurance and any amendatory endorsements effecting coverage required by this Section, provide that such insurance will not be cancelled, allowed to expire, or be materially reduced in coverage except on thirty (30) days' prior written notice to the City Attorney and Risk Manager of Lessor, except for non-payment of premium and, if requested by Lessor,

provide certified copies of endorsements and policies in lieu of or in addition to certificates of insurance;

- (ii) Place such insurance with an insurer that is licensed to do business in Tennessee and has an A.M. Best Company rating of no less than AV; and
- (iii) Require all contractors to maintain during the terms of this Lease, commercial general liability insurance, business automobile liability insurance and workers' compensation/employers' liability and furnish contractor's certificates of insurance to Lessor prior to the commencement of work.

Furthermore, self-insured retentions must be declared to and approved by Lessor.

Lessee shall insure, at its sole expense, the Improvements located on the Property and shall insure, at its sole expense, all its personal property. Lessor shall not be responsible for damage or loss of property of Lessee kept or stored on the Property.

SECTION 16. Environmental Matters.

- (a) If Lessee causes any release of hazardous material from or out of the Improvements or Communications Center which the Lessee constructs on the Property during the term of the Existing Lease, this Lease or any holdover tenancy, Lessee shall be responsible for all costs associated therewith, including all damages or remedial actions required by regulations pertaining to health or the environment ("Environmental Laws"), including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended and the Resource Conservation and Recovery Act of 1987, as amended.

- (b) Lessee agrees to indemnify, defend and hold Lessor and Lessor's officials, officers, employees, agents, successors, and assigns harmless from any claims, damages, fines, penalties, losses, judgments, costs, and liabilities resulting from Lessee's operation on the Property resulting in any violation of any Environmental Laws by Lessee. The provision of this Section shall survive expiration or the sooner termination of this Lease.

SECTION 17. Ingress, Egress and Utility Easement. Lessor agrees to execute such instruments or grant such easements over, across, in and upon any adjoining property of Lessor for the benefit of the Property at any time during the term hereof that Lessee may reasonably request to provide necessary ingress and egress to and from the Property and electricity and telephone service necessary to maintain or operate the Communications Center.

SECTION 18. Termination.

- (a) Lessee has the right to terminate this Lease at any time upon any of the following events:
- (i) For any or no reason at all upon six (6) months' written notice from Lessee;
 - (ii) If the approval of any agency, board, court or other governmental authority necessary for the construction and/or operation of the Communications Center cannot be obtained, or is revoked, or if Lessee determines the cost of obtaining such approval is prohibitive; or
 - (iii) If Lessee determines that the Property is not appropriate for continuing the Communications Center for technological reasons, including, but not limited to, signal interference.

- (b) Lessor has the right to terminate this Lease at any time upon any of the following events:
- (i) If Lessor, in its sole discretion, based upon sound engineering principles, determines that the Communications Center has become structurally unsound (provided, however, that this Lease shall not terminate if Lessee repairs, refurbishes or otherwise remedies the Communications Center within ninety (90) days after receipt of written notice from Lessor so that the structurally unsound condition no longer exists); and
 - (ii) If Lessor, in its sole discretion, based upon sound engineering principles determines that the Communications Center should be withdrawn from use as a communications tower; or
 - (iii) If Lessor, in its sole discretion, based on sound engineering principles determines that the Communications Center has become hazardous or dangerous to persons or property due to an act of God (provided, however, that this Lease shall not terminate if Lessee repairs, refurbishes or otherwise remedies the Communications Center within ninety (90) days after receipt of written notice from Lessor so that the hazardous or dangerous condition no longer exists).
- (c) Lessee will give Lessor thirty (30) days' written notice of termination of this Lease under the terms of SECTION 18(a)(i), (ii), and (iii) above. Lessor shall give Lessee three (3) months' written notice of termination of this Lease under the terms of SECTION 18(b)(i) and (ii) above. Upon termination, neither party will owe any further obligation under this Lease except as otherwise provided in SECTION 19 and except for the indemnities and hold harmless provisions in this

Lease, the provisions of SECTION 16, the prompt reimbursement of pro-rata pre-paid rent, and Lessee's responsibility of removing all of the Improvements and Communications Equipment from the Property and restoring the Property to its condition as of the Effective Date of the Existing Lease.

SECTION 19. Default.

- (a) The occurrence of any of the following acts shall constitute events of default by Lessee:
- (i) Abandonment ("Abandonment" shall be defined as Lessee's failure to maintain the Property as required by SECTION 12) of the Property and Lessee's continued Abandonment for a period in excess of thirty (30) days following written notice thereof given to Lessee by Lessor, except for causes of force majeure, as defined in SECTION 30;
 - (ii) Any assignment, transfer, or sublease that is not otherwise permitted herein or that has not been approved in advance by Lessor;
 - (iii) The appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located on at the Property or the attachment, execution or other judicial seizure of substantially all of Lessee's assets located on the Property or interest in this Lease, or when Lessee becomes a "debtor" as defined in any bankruptcy laws and any such attachment, levy, seizure or bankruptcy action is not released or dismissed within thirty (30) days.; or
 - (iv) Engaging in or allowing illegal activities to be conducted on the Property.
- (b) Failure to pay rent as provided for herein or failure to perform any term, covenant, or condition of this Lease, other than those set forth in subparagraph (a) above,

shall not constitute default unless such breach is not cured within the time period set forth below.

- (c) Lessor shall give written notice to Lessee of any default and, if Lessee does not cure any rent default within ten (10) days or other default within sixty (60) days, after the giving of such notice (or, if such default is of such a nature that it cannot be completely cured within such sixty (60) days), if Lessee does not commence such curing within sixty (60) days and thereafter proceed with reasonable diligence and in good faith to cure such defaults, then Lessor may terminate this Lease on not less than three (3) days' written notice to Lessee, and on the date specified in said notice the term of this Lease shall terminate, and Lessee shall then quit and surrender the Property to Lessor, but Lessee shall remain liable as hereinafter provided. If this Lease shall have been so terminated by Lessor, Lessor may at any time thereafter resume possession of the Property by any lawful means and remove Lessee or other occupants and their effects.
- (d) The rights and remedies in this Lease are not exclusive and the parties, in the event of a breach hereof or a dispute, are entitled to pursue any of the remedies provided herein, by law, or by equity.
- (e) No course of dealing between the parties or any delay on the part of a party to exercise any right it may have under this Lease shall operate as a waiver of any of the rights hereunder, or by law or equity provided, nor shall any waiver of any prior default operate as the waiver of any subsequent default, and no express waiver shall affect any term or condition other than the ones specified in such waiver and that one only for the time and manner specifically stated.

SECTION 20. Condemnation of Property. In the event that any government, public body, or other condemning authority shall take, or if Lessor shall transfer in lieu of such taking, all or such part of the Property thereby making it physically or financially infeasible for the Property to be used in the manner intended by this Lease, Lessee shall have the right to terminate this Lease effective as of the date of the taking by the condemning party and the rental shall be prorated appropriately. However, if only a portion of the Property is taken, and Lessee does not elect to terminate this Lease under this Section, then rental payments provided under this Lease abate proportionately as to the portion taken which is not then usable by Lessee. Lessor shall make all necessary repairs and alterations to restore the portion of the Property remaining to as near its former condition as circumstances will permit (at a cost not to exceed Lessor's proceeds from said condemnation or transfer), and this Lease shall continue.

SECTION 21. Assignment or Sublease. Lessee may with Lessor's written consent, which shall not be reasonably withheld, assign this Lease to any person or entity that, after first receiving any required FCC or state regulatory agency approvals, assumes all obligations of Lessee under this Lease provided, however, it shall be reasonable for Lessor to withhold such consent if the proposed assignee, in Lessor's sole judgment, does not have the financial resources or the expertise necessary to ensure performance of Lessee's obligation hereunder. Upon such assignment, Lessee shall be relieved of all liabilities and obligations hereunder and Lessor shall look solely to the assignee for performance under this Lease and all obligations hereunder. Lessee may sublease this Lease only upon prior written notice and approval from Lessor, and only if such sublease is subject to the provisions of this Lease. Any sublessee of this Lease shall be bound by terms of this Lease. No language in this Section will release Lessee from its obligations pursuant to this Lease for the term remaining at the time of any assignment or subletting consented to by Lessor.

SECTION 22. Permits. Lessor acknowledges that following the execution of this Lease, Lessee will contact the appropriate local governmental agencies for the purpose of obtaining all building permits and approvals, zoning changes and/or approvals, variances, use permits, and other governmental permits and approvals (collectively "Permits") necessary for the construction of any Additional Improvements, operation, and maintenance of the Communications Center. Lessor agrees to execute and deliver any applications, maps, certificates, or other documents and to provide such other information that may be required in connection with Lessee's obtaining the Permits.

SECTION 23. Compliance with Laws. Lessor and Lessee agree to comply with all local, state, and federal laws, rules, regulations, and ordinances required by them to be performed as Lessor or Lessee hereunder as the case may be.

SECTION 24. Discrimination. Lessee covenants to comply with all federal, county, and city laws and ordinances in regard to discrimination due to handicap, age, race, color, religion, sex, national origin, or any other classification protected by said laws.

SECTION 25. Utility Services and Water Quality Fees. Any applications and connections for necessary utility services on the Property shall be made in the name of Lessee only. Lessee shall be solely liable for utility charges as they become due, including, but not limited to, those for water, gas, electricity, telephone, and water quality fees. It shall be a breach of this Lease to fail to keep such payments current.

SECTION 26. Possession. If this Lease should at any time become void or forfeited, no demand shall be necessary to a recovery of possession of the Property, and the Lessor shall be entitled to immediate possession (subject to Lessee's rights and obligations pursuant to SECTION 11 hereof).

SECTION 27. Right to Enter. The Lessor shall have the right to enter into and upon said Property or any part thereof, at all reasonable hours and not less than twenty-four (24) hours notice, for the purpose of examining the same; provided, however, in no event shall Lessor be permitted to climb the tower.

SECTION 28. No Waiver. Any waiver by the parties of any default or breach of any one or more of the terms, conditions, or covenants of this Lease shall be in writing and shall not be construed to be a waiver of any subsequent or other breach or default of the same or of any other term, covenant, or condition of this Lease. No delay, failure, or omission of Lessor to re-enter the Property, to insist on strict enforcement of any term, covenant, or condition, or to exercise any right, privilege or other option arising from any breach or default shall impair any such right, privilege or option or be construed as a waiver of or acquiescence in such breach of default.

SECTION 29. Time is of the Essence. Time shall be of the essence with respect to the performance of Lessee's obligations hereunder.

SECTION 30. Force Majeure. In the event that either party shall be delayed, hindered in, or prevented from the performance of any act required by this Lease, other than payment of rent and all other sums due hereunder, by reason of acts of God, strikes, lock-outs, labor problems, inability to procure materials, failure of power, restrictive governmental laws or regulation, riots, insurrection, war, terrorist acts, or other reasons of a like nature beyond the control of the party delayed in performance as required under the term so of this Lease, then performance of any such act shall be excused, without liability, for the period of such delay.

SECTION 31. Costs of Enforcing this Lease. If either party shall bring any suit or other action or proceeding to enforce the provisions of this Lease to be kept or performed by the other, the non-prevailing party shall pay all the costs and expenses incurred by the prevailing party in

connection therewith, including, without limitation, reasonable attorneys' fees. The provisions of this Section shall survive the expiration or sooner termination of this Lease.

SECTION 32. Notices. All notices and other communications given hereunder by the parties shall be in writing and shall be delivered personally or by mail, postage prepaid, and the date of any notice by certified mail shall be deemed the date of certification thereof delivered by or addressed to the parties as follows:
