12. **PERMITS** - Licensee is responsible for obtaining and paying the costs of all permits, licenses or other approvals by any regulatory body having jurisdiction over the uses authorized herein. Prior to commencing the work authorized herein, Licensee shall notify Tennessee One Call regarding any excavation(s) and shall ensure that the provisions of TCA 65-31-101 et seq. are met.

13. **COMPLIANCE** – All work on the Licensed Premises shall be performed in compliance with current TDOT Landscape Design Guidelines and TDOT Standard Drawings in addition to applicable federal, state and local laws and regulations. 14. **TITLE VI ASSURANCES** – The Licensee for itself, its successors in interest and assigns, as part of the consideration hereof does hereby covenant and agree that in the event facilities are constructed, maintained, or otherwise operated on the property described in this License Agreement for a purpose for which the State or a State program or activity is extended or for another purpose involving the provision of similar services or benefits, the Licensee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964, and as said regulations shall be amended.
15. **AMERICANS WITH DISABILITIES ACT ASSURANCES** – The Licensee for itself, its successors in interest and assigns, as part of the consideration hereof does hereby covenant and agree that in the event facilities are constructed, maintained, or otherwise operated on the property described in this License Agreement for a purpose for which the State or a State program or activity is extended or for another purpose involving the provision of similar services or benefits, the Licensee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 28, Code of Federal Regulations, Parts 35 and 36, Nondiscrimination on the Basis of Disability in State and Local Government Services and Nondiscrimination on the Basis of Disability by Public Accommodations and in Commercial Facilities, and as said regulations shall be amended. In the event that the Licensed Premises is needed for a highway maintenance project, the use of the Licensed Premises will cease temporarily until the maintenance project is completed. In the event that a utility owner needs to maintain an existing utility facility, the Licensee’s use of the Licensed Premises may cease or be impaired until the utility maintenance activity is completed.
17. **ADJACENT PROPERTY** – Licensee states and affirms that the Improvements constructed and maintained on the Licensed Premises are not relevant to any adjacent property’s activities, features, or attributes that qualify the adjacent property for protection under Section 4(f) of the Department of Transportation Act of 1966 (Pub. Therefore, neither the act of reversion nor termination of this Agreement, nor any transportation related activities occurring on the Licensed Premises (including, but not limited to, maintenance activities, construction activities, etc.), would result in a substantial impairment to the activities, features, or attributes that may qualify Licensee's adjacent or nearby property for protection under Section 4(f).

18. **NO PERMANENT OWNERSHIP** – Licensee does not currently possess, nor through this Agreement acquire, permanent ownership or control over the Licensed Premises.
