Responded to 900 Mtn Creek Rd apt R-319 speaking with Tristan Shappy. Shappy reports observing two unknown white males around the "T" building opening a package and removing the contents from it. Shappy believes these subjects removed someone's delivered package from their doorway for the purpose of stealing the contents. Security is attempting to locate the owner of this package to determine if a theft or vandalism occurred.

At this time I have no known victim or known suspects. The males were seen leaving in a black Ford F150 TN plate driven by unknown white female. Tag was registered to Lisa Arrington of Bay Hill Dr., Hixson TN. No further info at this time. D2/R08
