On 01/04/2021 at approximately 00:00 hours, Officer M Estock (82259) reported suspicious activity at 231 E Martin Luther King Blvd.

While driving past the listed address, I observed an unknown female walking down the street. As I passed her, she stopped, leaned forward, and looked directly at me. Across the street, I observed an unknown black male following her and calling out to her. I could see she was avoiding speaking to the unknown male. I stopped my vehicle and initiated a casual encounter.

As I stepped out, the unknown black male left the location. The female was visibly shaking and appeared to have been crying. She identified herself as Ms. Jacqueline Morison. Ms. Morison stated she was robbed approximately 2 days ago and was attempting to make her way to the Moxy on King St. Ms. Morison asked me to transport her. I asked Ms. Morison a specific date she was robbed and she was unable to specify. Ms. Morison stated she just arrived to Chattanooga from Florida. When asked when she arrived to Chattanooga, she was unable to give me a specific or approximate date. I instructed Ms. Morison to conduct a self pat-down to verify that she did not have any weapons. Ms. Morison complied reluctantly. I allowed Ms. Morison into the back of my patrol car.

I found Ms. Morison's evasive answers as suspicious. Before attempting to transport Ms. Morison per her request, I attempted to gain a positive identification for my safety. Ms. Morison stated her ID was stolen when she was robbed. Ms. Morison was not able to give me any further information aside from her name and date of birth. As I continued to search for further recourse to ID Ms. Morison, she insisted on lecturing me and stating she was a victim and does not like being treated as a suspect. I informed Ms. Morison my attempts at a thorough investigation were for my safety. I further explained she that I did not suspect her of any potential crime and that I simply need to know who I am transporting. Ms. Morison proceeded to complain and stated I should proceed to transport her regardless. I informed Ms. Morison I needed to positively identify her first. Ms. Morison then stated she should have not requested my help to begin with. Determining Ms. Morison did not require any further assistance, I instructed her to step out of my vehicle.

Ms. Morison instructed me to give her my name. I informed her of my name and badge number per her request. No further at this time.

On 01/04/2021 at 22:42 hours, Officer Alexander Forgey (82278) reported a memo at 3812 Fagan St.

On this date I conducted a traffic stop on a rental silver VW Jetta for speeding at this location. I made contact with the driver, Ms. Billingsley. As I was running her information I noticed that she had a denied transaction file hit through NCIC. It states that earlier in 2020 she attempted to buy a gun but was denied doing so. I did not see any local arrest history that would suggest she is a prohibited possessor so the reason for the denial is unknown. I also checked her history in Coplink and noticed that her brother may be a prohibited possessor but saw no other persons linked to her that were. It is common for criminals to use rental vehicles to commit acts of violence and is also common for them to use "straw purchasers" or other people to obtain firearms for them. As of this report there is no information that Ms. Billingsley is a straw purchaser but it is a possibility.
