On 01/12/2019 at 23:49 hours I, FTO Piazza (#884/70792), wrote a continuation/supplement for a MVT/Passenger Vehicle at 6802 Lee Highway. While patrolling my area I observed a vehicle in the parking lot of the closed CVS. I got out with the vehicle that was unoccupied and ran the tag and found out it was confirmed Stolen out of Chattanooga. The owner was notified by dispatch on his voice mail. I called for a next list wrecker to tow the vehicle. Dispatch left another voice mail for the victim about where his vehicle could be located. The ignition on the vehicle had been tampered with and the vehicle was unsecured. I did not locate any property or evidence in the vehicle that might identify the suspect. There are cameras at the CVS, but I'm unaware if they face the parking lot and no employees were on scene. The vehicle was removed from NCIC by dispatch. The vehicle was towed away by Allied Wrecker Service to their lot on N Holtzclaw Ave.
