(Expired Tags). The vehicle stopped at Greenway View Dr. and Brainerd Rd. Karimu Hatari was driving the vehicle. At first Mr. Hatari did not want to roll down his window. He eventually did so. Mr. Hatari could not answer simple questions. While his wallet was out, I noticed many ID's from different states and a large amount of money. He eventually handed me a ID from Texas. He then told me that he has lived in TN for 6 years but was unable to give me a correct address. He said, he travels to and from Texas on a regular basis. I asked him to step out of the vehicle and asked for consent to search the Van. He refused, I asked for K9 and they responded. The K9 did not hit on the vehicle. I asked Mr. Hatari if he had a bank account he said yes, I asked why he was carrying so much cash, he did not have a answer. Nor could he tell me how much cash he had on his person.

The Texas ID that Mr. Hatari gave me was a ID only. I wrote a ticket for the expired tag and driving without a license. When I returned to the vehicle with the tickets, he could not understand why he was getting a ticket. I tried to explain this to him. He then opens his wallet and looks through more ID's and hands me a ID from TN. This also is a ID only. I informed him that the vehicle has to be parked and he can not drive or he would go to jail.

The vehicle was parked in the parking lot and remained with the vehicle.
