Agent Farmer said that when he saw this suspicious behavior he went outside of the office and told the party in the vehicle to pull over so that he could conduct an investigative stop to find out why they were recording the TBI building. Agent Farmer said that the party refused to pull over and fled the scene heading south. Agent Farmer said that he followed the vehicle in his official vehicle and conducted a traffic stop. The stop occurred at 6101 Preservation Dr in the northern end of the parking lot. after I arrived, I observed the party in question sitting in his vehicle, facing Agent Farmer's vehicle, with his cell phone in his right hand. The party appeared to be filming with his phone. As I approached the vehicle I asked for the party, a middle aged w/m, to exit the vehicle so that I may talk to him. This party agreed to exit the vehicle. When he exited the vehicle I asked him his name, he replied that his name was "Tony". I then asked what he was doing and he asked me why he was being detained and that filming was not a crimina activity. I then asked for his driver's license to which he replied "No". "Tony" then asked to speak to a supervisor because he felt his constitutional rights were being violated by being stopped and detained by Agent Farmer. I then got out on the radio and requested that a supervisor respond to the scene. While awaiting my supervisor's response, "Tony" began to inform me that he was doing nothing criminal by filming the TBI Chattanooga headquarters and that he was simply doing a "1st Amendment audit". He then began to explain what a "1st Amendment audit" was and asked me where I went to "cop school". Shortly after this my acting supervisor, Officer Moser, responded. While Officer Moser and Agent Farmer were speaking with "Tony" I took down the license plate registration number and ran the vehicle through NCIC. The vehicle came back to Anthony Szabo at 6121 Bayshore Dr, Harrison, TN 37341. The vehicle was fully insured and did not come back stolen. During this time Mr. Szabo continued to converse with Agent Farmer and Officer Moser. Once their conversation concluded, Agent Farmer said that he did not want to charge Mr. Szabo with any offense he just wanted to conduct an investigatory stop. After speaking with Agent Farmer the decision was made to release Mr. Szabo from the stop.

Upon further investigation I was able to determine that Anthony Szabo [REDACTED] and is a licensed driver in the state of [REDACTED]
