Mr. Lopez gave the above address. Upon arrival Police made contact with Ms. Patricia Tippit, Police told Ms. Tippit someone she had been texting wanted us to check on her due to her telling him she no longer wanted to speak to him. She seemed surprised by this stating she had not been texting anyone. She then asked if Police could tell him not to contact her.

I then called Mr. Lopez who stated he believed he may have been cat fished over the past 7 months. Stating he met a woman on the cell phone app. Plenty of Fish that he described as a 38 year old slender build white female with brunette hair. Ms. Tippit, who I spoke to, did not fit that description as she is an older female.

Mr. Lopez then started in a story that after coming in contact with the party claiming to be a Ms. Tippit sent documentation to make him a temporary Power of Attorney through a Michael Mier, so money could be sent to him then sent back to Ms. Tippit through gift cards or Bitcoin. Mr. Lopez stated he was told the money was inheritance money. Mr. Lopez stated he received and sent approximately \$7000 this way, then recently his bank froze \$3162 coming from the same account and told him they believe it to be fraudulent. These transactions took place over the last 6 months along with him sending approximately \$2000 of his personal money to this party as well.

At this time I can not determine an offense that took place in Chattanooga as Mr. Lopez only had a name and address for a Patricia Tippit, who did not fit the same description as who he was wanting to contact.

Nothing further at this time.
