Police arrived on scene before I did and informed me that the possible suspect in the disorder left in a silver mercedes. The suspect was named Michael, was in a silver mercedes, and was an african american male. I immediate located the mercedes, at the Krystals parking lot, just outside of the Greendale Way Apt complex. The driver was an african american male, and the vehicle matched the description that other officers gave to dispatch.. I immediately hit my lights to get the drivers attention, (he was in the krystals drive through). Once i spoke with the subject, i requested that he park his vehicle. I then approached the vehicle and requested the subject name Michael Little [REDACTED] to step out of the vehicle and immediately detained him. During his brief detainment I was informed by Police that Michael Little was not a suspect in a disorder but that the alleged altercation was a misunderstanding. According to Police, the supposed victim named Sheritha Hubbard just wanted Michael to call her before he showed up to her place. Michael had no active warrants at this time and was free to go. I have nothing further to provide at this time.
