On March 25, 2017 at 1903 hours I Officer Scoggins #841, responded to 1723 S Seminole Dr for a disorder. Once on scene I made contact with a Mr. Frankie Humphries who informed me one of his neighbors located at 1722 S Seminole yelled across the street at him.

Frankie continued to explain he is a witness in a case involving his neighbors and the last time they were at court Judge Starnes informed them they will not have any contact with each other until the case is over. Frankie was just wanting a report saying his neighbor did make contact yelling across the street at him.

After speaking with Frankie I went across the street and make contact with the other party Mr. Justin Lowery, who informed me he is aware he isn't suppose to make contact with his neighbor across the street, and he has not spoken to him. He said earlier he was yelling to get his wife's attention and the neighbor must have thought he was speaking to him.
