She says that on 03 May, 2017, there was a note on her car again that read "Again, you (your door) banged into my truck door. I have your car information you need to call me 423 774 1115". Again, Ms. Barkman says that she has made no attempt to contact this party. She says that she had loss prevention to call the number and got the party's name as Michael Ellis. She says she did not contact him as she does not want him to have her phone number. I suggested that she call from her work number (Lowe's). I suggested that she contact this party and have him meet her at Lowe's and have a witness with her.

On 05/08/2017 at 12:55 hours, Officer Clifton Glenn (60757) responded to a Vandalism at 900 Georgia Ave. I met with Mrs, Carol Copeland in the PSC lobby. She states that she parked in the 900 block of Georgia Ave., from 1500 till 1700 hours. She says while inside at work, an unknown party used a blunt object apparently 1/4 wide, to make a down turn scarp to the left side far rear of her vehicle and a straight down scarp to the very center of the front bumper skin. I examined the vehicle and found the scraps as previously described. She has no idea as to the cost to have the paint repaired.

17-043237                      5/2/2017 12:00:00PM                      23D Theft from Building                      106 Oyler Ln

On 05/08/2017 at 18:44 hours, PST McMahan (61444) responded to a Theft from Building at 106 Oylar Ln at the victim's home. The victim said that he last saw his necklace in his apartment last Tuesday. Since that time, he did not pay much attention to it until Saturday at about noon, when he discovered that it was gone. He found out from his neighbor that the exterminator and a maintenance person had serviced all the apartments there at sometime during that timeframe, but he's not sure when exactly. He said that he believes that maintenance and staff people have the right to enter his apartment while he's gone, but he's not sure under what circumstances. Therefore, this will have to be classified as a theft for now. This report was taken by phone.
