19-044618 5/13/2019 10:33:00PM 270 Embezzlement 7014 Mccutcheon Rd

On 05/09/2019 at 15:30 hours, Officer S Martin (78348) responded to a Embezzlement at Microtel, located at 7014 Mccutcheon Rd. I spoke with the owner of the Microtel franchise, Min Kwon, and the General Manager, Jennifer Weber. Mr. Kwon recently noticed several discrepancies in the hotel's bookkeeping, one of which is detailed in this report. This incident is related to two other embezzlement cases: 19-044583 and 19-044619. I discovered the following information after speaking with Mr. Kwon and Ms. Weber. The Red Cross was paying rent at Microtel on behalf of Ronald Williamson, who was the victim of a house fire. Mr. Williamson has been staying in room 349 since 04/11/2019. Hotel records indicate that Red Cross paid the rent with a Visa Credit Card (*7239). However, Mr. Williamson told Mr. Kwon that he has also been paying rent in cash. Therefore, Mr. Williamson was being doubled-billed for the room. Although, hotel records do not reflect the cash payments made by Mr. Williamson. There is currently no suspect information. Due to the circumstances, Mr. Kwon suspects that the cash payments made by Mr. Williamson were embezzlement by a Microtel employee. No further at this time.

91Z Field Interview

4051 Amnicola Hwy

On 05/18/2019 at 11:00 hours, Lt. Daniel Jones (62194) was notified by cell phone from Sgt Shelia Jetton that someone drove by the Navy Marine Corps Reserve Center (NOSC) with their music playing loudly. (Sgt Jetton was on military orders with the Navy during this incident.) The music played was recognized by the Marines on security post as ISIS propaganda music. The vehicle was a gray sedan and only occupied by the driver. The vehicle traveled into the River Park.

I was able to make contact with the individual in a parking area of the park. Seth MARLER stated that he thought it would be funny to play that type of propaganda music while traveling in front of the NOSC. He freely supplied his DL and did not too nervous during our interaction. MARLER was following his cousin to a party that was being held at the #1 pavilion within the River Park. This pavilion is in a completely different area of the River Park.

The cousin stated that MARLER has recently been more interested in videos and music containing this type of ISIS media.

MARLER did not have any warrants at the time of the interaction. There was no history found on MARLER at the time of the interaction. He left the area of the NOSC to find pavilion #1 within the River Park.
