17-051749 6/1/2017 11:50:00AM 13B Simple Assault 1904 East 25th Street Place

On 06/01/2017 at 12:05 hours, I, Officer Jeff Lancaster #308, responded to a disorder at 1904 East 25th St. Place. Upon arriving I observed the complainant Nitorius Cooley standing on the street outside of the residence. He claimed that his mother, Albertina Cooley, had struck him with a belt on the side of his left upper arm, as well as hitting his TV with the belt causing the screen to break. Nitorius Cooley pointed out a small abrasion on his upper left arm where he claims the belt hit him. I proceeded to the house where I spoke with Albertina Cooley who was inside the residence. She came out on the porch and told me that her son, Nitorius Cooley, was living at the residence, however was supposed to be moving out to his own home. When he came to the residence she said he tried to force his way into the house through the back door. While trying to reach in through the back door, with his left arm, and remove the chain locking the door he, in doing so, scratched his upper left arm on an exposed nail. Albertina did admit that she had struck the TV with the belt which did break the screen after putting his property on the front porch to be taken.

Taking both stories into account the back door was checked. There was a chain that locked the door that had been removed, and there was also an exposed nail which would better explain the small abrasion on Nitorius Cooley's left upper arm. I spoke with Nitorius Cooley after inspecting the scene and asked what he wanted done. He said that he did not want to press charges against his mother Albertina but asked that she pay for the broken TV. Albertina paid Nitorius in the amount of \$150.00, in the presence of officers, to replace the broken TV, and Nitorius accepted and considered the damage done to the TV to be paid in full. I instructed Nitorius that it would be in his best interest to stay off the property and work out arrangements to have his remaining belongings removed from the porch without him being present or to at least not return onto the property. He agreed and left the location.
