I, Officer Brelsford, arrived at the 5700 block of Brainerd Rd and spoke with victim Virginia Massa. She stated that earlier in the day roughly 1430 hours she was at the red light at Brainerd Rd and Greenway View Dr. She stated that while sitting at the stop light a vehicle bumped into her from behind. She got out and spoke with the driver of the vehicle and asked her if the second driver had been in fact been bumped and moved forward causing more the contact with Ms Massa's vehicle. The unknown driver then became hostile and stated that they had been in "park" at the red light and there was no way they could have made contact with the Ms. Massa. Since there was no damage to either vehicle Ms. Massa continued onto her destination. After running errands Ms Massa went back to her vehicle and was confronted again by the unknown party. The unknown party began claiming that they had Ms. Massa's tag information and was going to go the hospital and claim that it was Ms Massa that had hit her and caused injuries to her. I was able to look at the vehicle that Ms Massa had been driving earlier in the day during the incident and there was absolutely no damage to the vehicle. Ms. Massa was needing a report to protect her self from a faulty lawsuit claim that may occur in the future because of the incident with the unknown party. Ms Massa was unable to provide any information to who this party was other than that she was an African American female around 30 years old. Nothing further at this time.
