Friday 07/26/2019 at 18:28 hours, Kelley Miller (20259) wrote this supplement for the investigation of Felony Theft by Fraud (19-069485) at "Truck n Trailers USA" at 4591N Access Road.

This investigation coincides with an additional case of Felony Theft by Fraud (19-067958) at "Honda of Chattanooga" located at 4915 Hwy 58. Both incidents were perpetrated by the same individual who had identified himself as Derrick Prewitt.

I have interviewed the store manager at Truck n Trailers USA and I have observed surveillance video of the suspect loitering about the interior of the business and as he attached the 20' trailer to what appears to be a GMC 1500 pickup truck (gray). The person on that video appears to be the same person depicted on the Georgia drivers license which was presented at both victim businesses to facilitate his criminal activity.

The Georgia driving license and the PNC Bank checks used to make the "purchases" at each victim business were counterfeit.

Currently other than the DL photo and surveillance video there are no leads as to the identity of this criminal.
