Jason (b/m, 6'00, 280, late 20's, flat top, glasses, and beard) explained to her that he worked for the FDIC and that the Federal Government owed her money relating to an insurance policy. Tamisha thought that Jason was legit because she had heard other people in the area were receiving back wages from the government relating to insurance. Side note, Tamisha stated that the suspect was driving a brand new black Toyota Maxima. There were two other African American males in the car with Jason, the passenger was in his forty's and had a faded haircut which was turning gray, and an African American male, age between 17 and 18, in the rear of the vehicle. On this date, Tamisha received a call from her bank notifying her of suspicious activity on her bank card. When she checked, it was evident that the suspect deposited funds into her account, and then took the funds plus extra cash back out of the account. Tamisha stated that the suspect was able to withdraw around 800.00 of her currency. The bank put her account on hold. Tamisha is gathering more information for police. Police will forward this report to the Fraud Division and make them aware of the situation.
