Upon arrival, I spoke with the complainant and identified him as Robert Huskey. Mr. Huskey told me that two hours before he called police, his vehicle was taken from the Bojangles' parking lot. Mr. Huskey told me that, approximately, twenty five minutes after the restaurant opened, he went inside the restaurant. Mr. Huskey told me that while inside, an unknown white male told Mr. Huskey that he could not drive his stick-shift Ford Ranger. Mr. Huskey told me the suspect asked him if he could drive the suspect's vehicle, and if the suspect could drive Mr. Huskey's Ford F-150. I reviewed video surveillance, from 05:10 hours to 07:15 hours, of the parking lot and front door of the restaurant and did not see Mr Huskey, his vehicle, or the suspect's vehicle. I learned, a couple of hours later, that after I left, Mr. Huskey spoke with another officer about his vehicle being stolen. The other officer informed me that Mr. Huskey stated he chased the suspect driving his vehicle, north on N Hawthorne St., opposed to when he told me east on E 23rd St. I determined that an auto theft had not occurred, based of the video surveillance and Mr. Huskey's contradicting accounts of how it happened. No further.

18-071632 7/28/2018 10:50:00PM 91Z Suspicious Activity 3903 Hixson Pike

On 07/28/2018 at approximately 23:09 hours, Officer Andrew Serret (79886) responded to a Disorder at Arby's, 3903 Hixson Pike. At the time of Dispatch I was informed that the two parties arguing had gotten physical, and the male party had pushed the female. Upon arrival the caller stated that the two parties left that property and went across the street to the Window Tinting Company, at 4000 Hixson Pike. I then got out with both parties at 4000 Hixson Pike and identified the two parties as Catherine Brown () and Joseph Trogdon (). I was supported by 3A1 Officer Hooper who stayed with Mr. Trogdon while I gathered information from Ms. Brown. Ms. Brown stated that her and her boyfriend Mr. Trogdon had gotten into an argument in the Arby's parking lot but it had not gotten physical. Ms. Brown did not have any visible signs of abuse, and even as I approached the two parties before getting out with them; they were holding hands and seemed to not have an issue with one another. Ms. Brown stated that she did stumble in the parking lot of Arby's but that was due to her being clumsy and not due to an action by Mr. Trogdon. I then spoke with Mr. Trogdon who stated that he and Ms. Brown had argued but there was no actual physical confrontation between the two. While gathering both parties information, I did see that Mr. Trogdon had possible warrants out of Georgia for Failure to Appear. I then detained Mr. Trogdon to await if the warrants were verified, but they were not. Mr. Trogdon was then taken out of cuffs, and I ordered him to walk northbound on Hixson Pike. After Mr. Trogdon was out of eyesight, I then sent Ms. Brown southward on Hixson Pike to make sure another incident was not going to happen. Both parties left the scene without incident. Nothing further.

18-072387 7/27/2018 6:00:00PM 91Z Damaged Property Accidental 5928 Hixson Pike

On 07/31/2018 at 08:44 hours, PIT McMahan (61444) responded to a Damaged Property Accidental at 5928 Hixson Pike at Publix. The victim said that he drove his truck (2011 Ford F-150, gold in color) from the airport to the Publix last Friday and he knows there was no damage on it when he parked it there about 6 pm. He was away from the truck only about 10 minutes while he was there and he then drove the truck to a BP station nearby on Hixson Pike. He was only there about 5 minutes and he wasn't really away from the vehicle. He then drove the vehicle home and then he discovered some damage on the passenger side the next day around 9 am. I observed the damage which consisted of dents and scratches on the front fender & wheel, running board/bar, and quarter panel. Also, the side mirror was gone and he said that it had been broken nearly off before it came off completely later. Most of the damage was on the front fender & mirror. He believes that Publix is the location where this incident happened because that is the only place where he was away from the vehicle. He said he had an estimate for \$5700.00 total for repairs. He believes that another vehicle may have hit his truck but there is no proof (video, witness, etc) at this time of what actually caused the damage or as to whether it was intentional or accidental. This report was taken in the PSC Lobby.
