20-076419 8/1/2020 2:00:00PM 91Z Miscellaneous Information 5428 Highway 153

On 08/01/2020 at 14:23 hours, Officer Veloz 603 reported a property damage at 5428 Highway 153. Upon arrival to the scene, I located the two individuals involved. Owner of Vehicle 1 named Darrell Byrd explained that he was parked in a parking lot when another person was opening the door. The wind caught the door and caused it to his vehicle door. There was some damage to the door so Mr. Byrd wanted a report for insurance. I spoke with Mr. Andrew Chivers, who concurred the story about the door and the damage. I gathered their information for a property damage report. Neither individual was in the vehicle when the incident occurred which is why this isn't an accident report.

When I spoke to Mr. Tate, he stated that he was arguing with Ms. Twitty and she pushed him into the corner of the TV, knocking it off of the TV stand. When I observed the damage to the TV, it appeared more likely that the TV was knocked over rather than being punched. I was unable to determine what actually caused the TV to break due to the conflicting stories. Mr. Twitty stated that she rents the TV from Rent-A-Center for \$117 every 2 weeks, and needed a report to give to Rent-A-Center. Mr. Tate was given a ride to Miller Park. Nothing further.
