On 08/23/2018 at approximately 17:30 hours, Officer Andrew Serret (79886) responded to a Credit Card/ATM Fraud at Target and Gamestop at 5579 Hwy 153. At the time of dispatch I had originally responded to a theft from motor vehicle at Olive Garden in regards to co#18-080632. I was then informed by the complainant Charles Mance (██████████) that his wife Wanda Mance's (██████████); check card from Tennessee Valley Federal Credit Union had been used at Target at 1619 hours on this date, and at Gamestop at 1652 hours on this date. This aligns with the theft from his vehicle that occurred approximately 45 minutes before these purchases were made. Suspect #1 spent \$312 at Target for a Prepaid Visa with Wanda's check at 1612 hours. Then at 1652 hours on this date, Suspects #2-4 spent \$65.54 at Gamestop. I checked with Loss Prevention Marley Hartman at Target, who provided me with video and pictures of Suspect #1 making the purchase for the prepaid visa with Wanda's card; pictures of the suspect will be added to this report. I then observed the suspect getting into a white sedan in the parking lot and leaving the property. I did not see this suspect return to the scene. I then went and spoke with Gamestop employee Phillip Vaughn (██████████) who showed me video footage of the purchase being made from his store at 1652 hours for \$65.54 on a FarCry video game; purchase made by Suspects #2-4. Suspect #1 is a black male, 20-30 years of age with a "diamond like" stud in his right ear, wearing a black t shirt at the time with blue jeans that had red fabric underneath. Suspects #2-4 were at Gamestop and Suspect #2 actually made the purchase while 3&4 were lookouts. Suspect 2 is a white male 40-50 years of age, heavy build, salt and pepper hair color, gray shirt with a bluish image on the front, with khaki shorts and a dark colored belt. Suspect #3 is a white male between the ages of 20-30, with dyed red hair, pale skin, a black shirt with a blue hour glass image on the front of it. Suspect #4 is a white female around 20 years of age, with black glasses, red straight long hair, a bright green t shirt, and a drawstring backpack. Phillip informed me that these 3 came into Gamestop together and once their purchase had been made, they all left together. I observed Suspect #2 completing the purchase and once he had done so, while leaving the store; Suspects #3 and #4 followed behind him. I showed all the pictures of the suspects I gathered to the victims Charles and Wanda, as well as both Loss Prevention Personnel Marley, and Gamestop Employee Phillip; no one could identify the suspects. I then informed Charles this report would be made and that this would create a paper trail for future purchases that may have been made by any of these suspects. I also informed Charles that this report with the pictures and video would be forwarded to a fraud detective in hopes that someone within the department may be able to identify them. I then gave Charles a complaint card for his records. Charles informed me that he had been notified that the card was used at a local gas station, but he only had the gas station store number. I informed him that he needed to get the times, and values; then go to that store and call us back out so we can make another fraud report to create more paper trails and a more solid foundation for his case. Charles was very pleased at the lengths that police went to provide him with service on this date. Nothing further.
