Upon arrival, I spoke with the complainant, Binh Huynh, who spoke to me on the behalf of the victim, Tam Nguyen, due to a language barrier. Mr. Huynh stated when he arrived, he observed a black female (later identified as Natalya Oattes) getting services from Mr. Nguyen. Mr. Huynh also further stated he recognized Ms. Oattes from a previous incident where she left without paying for services she received from the business. On this occasion, Ms. Oattes received a manicure and a pedicure, valued at \$78. After that service was completed, Ms. Oattes was waiting for a design to be put on her nails from a different technician. Mr. Huynh stated Ms. Oattes became agitated over the wait time, became verbally aggressive with the staff, and stated she was going to walk-out without paying just like she had done before. Just a few moments later Ms. Oattes left the business without paying for the services she received.

Mr. Huynh was able to retain the tag (TN [REDACTED]) on Ms. Oattes vehicle and her information where she signed in. The registered owner to the vehicle was Ms. Oattes and she signed in under Nat Oattes, which also included her telephone number [REDACTED]. I spoke with Ms. Oattes over the phone and, according to her, she did become agitated over the wait time after receiving the manicure and pedicure, but left without paying after an employee told her to leave the business. Ms. Oattes stated she was willing to pay for the service and the business, and Mr. Nguyen, agreed to give her until the end of business (1900) on 10/8/2020 before they pursued prosecution. Ms. Oattes was supposed to call me back shortly after our initial conversation, but hasn't up to this point of this incident. Therefore, the agreement from the business was not relayed to Ms. Oattes.

On 10/08/2020 at 16:43 hours, Officer J. Cuba (79521) reported a memo at 1428 Jenkins Rd. Police made contact with Ms. Stephanie Moran via Cellphone. Ms. Moran stated that she had gone to the Heritage Park located at 1428 Jenkins Rd at around 1245 hrs. Ms. Moran parked next to a vehicle and Ms. Moran noticed that there was a female party sitting on the driver's seat of that vehicle. After a few hours of being at Heritage park, Ms. Moran was getting ready to leave when the female party from the car parked next to hers approached her. The female party asked Ms. Moran if she had jumping cables cause her battery had died. Ms. Moran stated that she did and proceeded on helping the female party. As Ms. Moran was doing this, she noticed that there were two men, one black male, and one white male, standing too close to her kids, who were playing by the creek, and the male parties kept looking at Ms. Moran. Ms. Moran got very uncomfortable and called her kids to come where she was at. Ms. Moran stepped away from the female party and called a friend to come where she was because she was getting weird feelings from the female party and the two male parties. When Ms. Moran went back to talk to the female party, the jumping cables had worked because she was able to turn her vehicle on. Ms. Moran thought this was very suspicious, especially since Ms. Moran had never turned on her vehicle for the Jumping cables to work. The female party got back in her vehicle and left. Ms. Moran also noticed that the male parties were gone. Ms. Moran's friend arrived on the scene and Ms. Moran explained everything that had happened to her. Ms. Moran and her friend decided to drive around the park just in case they were able to see the female party or the male parties. Ms. Moran was able to observe that the female party had parked her vehicle at a different parking lot in the back of the park. Once the female party noticed Ms. Moran, the female party drove off and left the scene. Ms. Moran was able to get a picture of the vehicle and stated that the vehicle had a TN tag of [REDACTED] and it came back to a Honda ULX. Police drove around the area looking for these parties but were not able to locate them. Police have no more information on these parties at this time. No further.
