On 10/16/2017 at 09:57 hours, Officer Allen Griffith (60164) responded to a Shoplifting at 5428 Highway 153 at the Lowes and spoke to Loss Prevention Officer John Wensel.

Mr. Wensel stated that on 10-13-2017 at 1150 hours, a white male wearing a blue shirt and jeans, entered the store without any items. Mr. Wensel stated that the male went to the area where a "Rock Solid " garage paint kit was sold and gathered the item. Mr. Wensel stated that the male brought the item up to a cash register and left it there. Mr. Wensel stated that several minutes later the male returned and got the paint kit from where he left it. The male then went to a different register and returned the item for a \$217.00 in store credit.

The male was issued the credit after showing a drivers license that belonged to David Rayburn. When police ran the Georgia license, the picture did not match the male who committed the offense.

The male suspect was bald, approximately" 200 lbs with glasses. The License picture showed a slender male with dark hair that obviously was not the same suspect.

There is no further information.
