20-111636 11/3/2020 12:54:00AM 290 Vandalism 2700 Broad St

On 11/03/2020 at approximately 00:58 hours, I, Officer Mary Sadler (79537) responded to an alarm at the Papa Johns located at 2700 Broad St, suite 144. When I arrived on scene I observed that the front, glass door was shattered and pulled away from the door frame. A responsible was contacted, and when area supervisor, Paul Boccia, arrived, police were able to enter the business to see if anything had been stolen. After searching the business, officers and Mr. Boccia were able to determine that nothing had been stolen.

Mr. Boccia was able to pull up camera footage of the two suspects breaking into the business. From the outside camera located on the side of the building, officers were able to see where a white, 4-door sedan, possibly a Toyota or Honda, pulled up to the side of the building and two parties exited and walked towards the front of the vehicle. Once at the front of the business, the cameras up front caught the suspects taking a sledgehammer or an ax to the glass door, and breaking the glass with it and their foot. After getting the glass broken and loose from the door, the suspects then entered the business by lifting up the glass and crawling on the floor. Once inside, camera 9 was able to get a front view of the two suspects as they ran towards the back. The first suspect that entered the building appeared to be a black male, wearing a blue Adidas sweatshirt, black pants, and black shoes. The second suspect also appeared to be a black male, wearing a blue sweatshirt, black shorts, black shoes with white toes, and gloves that had two reflective stripes on top.

Once inside the building, the suspects ran to the back of the business and then immediately ran back out the front, most likely due to the alarm going off. Due to the short amount of time spent in Papa Johns, the suspects were not able to notice, or gain access to the safe. Investigator Early, CH158, was called, but since there was nothing for him to process, he did not respond to the scene.
