Ms. Haas is the manager of the Circle K gas station at this address. Ms. Haas stated that two black males and a black female were in the store around 1430 hrs. These male parties attempted to purchase multiple cigarette cartons with various credit cards and all the cards were declining. The cashier then refused service to the males as they were suspicious of the use of stolen credit cards. The three suspects then exit the store and seem to pump gas in their vehicle then leave in a white Infinity car with possible New York plates. Reports from another Circle K at Shallowford Rd and N Moore Rd state that these parties show up around 1445 hrs and attempt to try the same thing to no avail. Once the suspects have no luck at the second gas station, they return to the Circle K at 6003 Shallowford Rd and attempt to purchase cigarette cartons once again. The black female uses a MasterCard ending in 8875 and successfully purchases two cigarette cartons at a total value of \$129.33. The three suspects all had GA IDs that appeared to be possibly stolen as the pictures on the IDs seemed to favor faces of different people. Both black males were seen with dreads, one in a red long sleeve shirt and the other a gray long sleeve shirt. The black female had on a blue denim jacket and possibly blonde dyed hair. The suspects then leave in the same vehicle as before around 1500hrs. No further info is known at this time.
