620 W 47th St

On 12/13/2018 at 14:30 hours, Officer P. McCall (0066492) responded to a MVT/Passenger Vehicle at 620 W 47th St. The owner of the vehicle was not at this location. Ms. Laquonda Sprallings had been in the hospital for the last 30 days and left her vehicle at her sisters house at 620 W 47th St. I stopped at 47th st before meeting up with Laquonda because the sister would know more about the car if it was at her house for the last month. The sister, Lashonda Spralling, said she knew nothing about the vehicle being taken. Another gentleman who was later identified as Calvin Ringer, seemed to think that the vehicle had not been stolen. He said that someone with a truck came and picked the car up somewhere from 1 - 2 weeks ago. Mr. Rawlings was not certain of a time frame. I asked if he came outside and said anything or asked anyone what was going on if they were taking the vehicle. Mr. Rawlings said that he did not come outside or say anything to anyone. I then went to see the victim, Laquonda at her mothers house on Tugaloo. Laquonda told me that her vehicle had been taken this morning at 5 am. I asked her how she knew this and she said her sister, Lashonda, called her at 5 am and told her that someone had knocked on the door at that time. When she got up and made it to the door, no one was there and the car was gone. I told that Lashonda just told me that she didn't know anything about her car or when it was taken. Laquonda said, "why would she say that"? I also told her what Mr. Rawlings had said. Laquonda was very confused with everything I had told her. I asked Laquonda what her sister's name was and the boyfriend who was at the house. I explained that I just wanted to be able to put them in the report and what they told me. Laquonda took a long time recalling names. She eventually gave me a different name for her sister (Laquisha) and a didn't have a name for the boyfriend. After some polite coaxing, she said his name was Calvin Ringer. With nothing else to go on, the vehicle was entered into NCIC.
