On 12/30/2018 at 00:56 hours, Officer Josiah Blakney (78365) reported a memo at 427 Cherokee Blvd. I observed a red Mitsubishi (██████████) parked at the back of a dark parking lot of a vacant business. The license plate was expired from 10/17. When I approached the vehicle I observed Ms. Teresa Brooker asleep in the driver's seat. When I addressed Ms. Brooker, she would not open the door and said she would leave. I ordered Ms. Brooker to open the door which she eventually did. Ms. Brooker said that she was passing through town and was just sleeping in the parking lot. Ms. Brooker had slurred speech and was having trouble focusing on answering questions. I asked Ms. Brooker if she had anything illegal in the car or any weapons and she began to stutter and would not answer the question. Ms. Brooker kept stating that she wasn't breaking the law or hurting anyone. I asked Ms. Brooker to step out of the vehicle which she did not do. I ordered her to step out 2 more times and she finally complied. I asked Ms. Brooker if I could search her car and she refused. Ofc. Romero, Car 498, responded to the scene to run his dog around the car. While waiting for Ofc. Romero, I asked Ms. Brooker if I could check her eyes to verify that she was not intoxicated. I observed lack of smooth pursuit but did not observe any other clues. The longer I talked to Ms. Brooker, the more coherent her speech became and she became calmer. Ofc. Romero's dog did not hit on the vehicle. I recommended better places to sleep then sent Ms. Brooker her on way.

I observed that the home occupants had touched both door knobs and the damaged area before I could check for possible fingerprints so it was not practical to attempt to process them. Officers checked the area extensively however at this time no suspect has been located and it is not certain whether this incident is related to the other incidents on this date.

On 01/05/2019 at 09:30 hours, Officer J. Niver (73511) reported a memo at 301 E Martin Luther King Blvd. I was on normal patrol and observed 3 black males standing on the corner of the south end of the building at the above address. I observed one of the males quickly put down a beer bottle inside a brown paper bag. I made a U-turn and stopped to make contact with the parties and at the same time, car 530 also got on scene. I made contact with a Mr. Clarence Wiley who was walking away from the area and was about 20 feet from the corner Police first spotted him. Car 530 issued the other 2 parties for their open containers as I talked to Mr. Wiley who admitted he was at the corner and left his unopened beer at the spot I first observed him. I collected the bottle and explained to Mr. Wiley that by abandoning the bottle with a paper bag, he was littering, which is a citable offense. Mr. Wiley initially thought I was accusing him of having an open container, another citable offense, and became argumentative and felt like he was being harassed. I explained to Mr. Wiley that Police were trying to deter public drinking, littering and any other illegal activity by being proactive in the area. I showed the litter consisting of wrappers and empty beer bottles on the property as examples of the problems Police were trying to correct. I was eventually able to explain to Mr. Wiley that he was littering and he agreed. I gave Mr. Wiley a verbal warning and he took his beer bottle and left the scene. Nothing further to report at this time.
